March 2021

Letter from the President

Howdy Hyde Park,

Once again, what a month! For the second month of 2021, the promise of a new year – turning over a new leaf, resolving to fix what was went wrong in the past year – will be delayed until the next month. This was also a very tough month for many in our community. Although the number of infections seems to be decreasing as more and more people are able to

get the vaccine, the winter storm showed us that the situation remains very tenuous for many of us. Stay safe everyone.

General Meetings

Once again, we had a great meeting headlined by **Amy Reed, Executive Director of Keep Houston Beautiful**. Ms. Reed spoke to us almost two years ago, and her presentation inspired a lot of the work of volunteers in the neighborhood to help beautify Lamar Park and high traffic areas of Hyde Park. Once again, I hope that Ms. Reed's presentation inspired you to participate in our clean-up efforts around Hyde Park.

Our next meeting will be via Zoom on March 2nd at 7 pm. We have arranged for **Priscilla Meehan, Community Outreach Manager with Legacy Community Health**, to touch upon the community's concerns about the Covid-19 vaccine rollout.

We have some great speakers lined up for our April and May general meetings. On April 6th, we will host **Jennifer Curley with the Mayor's Office of Economic Development**, and on May 4th, we will host **Council Member Abbie Kamin**.

The log-in details for the January meeting are noted on page 3. Attendees can join the Zoom call even if they do not have a computer. There is a dial-in number that allows you to participate with audio only. We will also post the login information on our Facebook page at: <https://www.facebook.com/groups/HydeParkUnited>.

What's Going On

We will be meeting at Lamar Park at 9 am on March 6th to clean up the neighborhood. I hope you can join us. We will have all the tools you need (e.g., gloves, garbage bags, trash pickers) and refreshments. It is always a pleasure to see how nice the neighborhood looks after we finish. I hope you can join us. If we have to cancel because of rain, we will meet on March 13th instead.

Due to the bad weather and other delays, we are postponing the launch of our membership drive to March. Please consider becoming a member, either an individual membership of \$30 for the year or a household membership for \$60 for the year. The membership fees help fund many of the activities that we do

We need your help! Our meetings are not very well attended. We have great speakers lined up who provide interesting presentations on sometimes challenging topics. What can we do to increase the number of people who attend?

Volunteers

We remain in need of volunteers for Hyde Park Civic Association. If you have any time to give, giving back to our neighborhood by getting involved on the Board or in one of the other volunteer positions is a truly

Civic Club Meeting Recap

Submitted by Ellen Pollard

The meeting, done through Zoom, was brought to order by **Chris Delphin, President**. He welcomed all including Amy Reed with Keep Houston Beautiful. He then turned the meeting over to **James Spears, Vice-President**, and James introduced **Amy Reed who is the Executive Director of Keep Houston Beautiful (KHB)**. Their website says that KHB is the city's leading organization in beautification, litter reduction and recycling education. Ms. Reed reminded us that all litter ends up in sewers and eventually into Galveston Bay. Think what a difference it would make if every person picked up 10 pieces of litter each day! In one-year KHB has 600 projects going on and 10,000 volunteers. Their vision is for Houston to be recognized nationally as one of the cleanest, most beautiful metropolitan cities in America. Ms. Reed discussed KHB Day which will be in April. There will be 20 sites and they are now recruiting teams to whom KBH will provide supplies. KBH has partnered with Houston Community Tool Bank which offers tools through a hand-free pick up and drop off system. KHB has also partnered with several other businesses. Coca Cola is collecting the plastic to recycle. University of Houston School of Architecture is another place that plastic goes. U of H gives the plastic to high schools for projects which are then brought back to U of H for discussion. The biggest litter problem being seen these days are bandit signs. What can we do? Take a picture and call 311. KHB has seen a change in the litter stream during COVID-19. Before COVID, the problem items were cigarette butts as well as bags, bottles and fast-food containers. Since COVID there has been a big rise in fast-food containers as well as PPE supplies. There are two ways we can help KHB. The first is by becoming a sponsor. Every dollar invested equals a \$12 return for the community. The second way is to become a volunteer. KBH has 10,000 volunteers. If they all donate 4 hours of giving time, that is a \$1 million reinvestment to the community. Our own James Spears is on the Board of Directors and is a chair of one of the committees. James thanked Amy Reed for speaking and said to look forward to an event in the park on February 14 as KHB will be involved in this.

General Business

Treasurer's Report - We began the month with \$10,698.33. After expenses of \$440.20 and revenue of \$160, our balance is \$10,418.13.

Lamar Park - A clean-up in the park is scheduled for March 6th. The rain date is March 13th. Please join us at 9:00 and bring a rake, gloves and wear a mask. Trash bags will be provided. Bids for lighting in the trees are being gathered. This information will be shared once

March 2nd @ 7PM

Speaker: Priscilla Meehan from Legacy Community Health

secured.

Deed Restrictions - Committee chair, **Barry Baumgarten**, said he received information about an address on Maryland where a lot has been cleared and 2 single family dwellings are planned to be built. There will be a virtual Planning Commission meeting on February 4th.

Linda Trevino with Metro was present at the meeting to answer any questions about Metro. It is now a federal offense to not wear a mask while waiting for or riding public transportation. A new program has been started called Adopt a Bus Shelter. The shelter will be named after you and you would be in charge of maintaining the shelter by calling to have trash bins emptied, etc. Metro will provide trash-bags, pick-up, etc. For more information, call Linda at 713 204 1738.

Our speaker next month on March 2nd will be **Priscilla Meehan with Legacy**. April's speaker will be **Jennifer Curley from the Mayor's Office of Economic Development** and May 4th **Abbie Kamin** will be present to speak to us.

The meeting ended at 8:00.
