May 2021

Letter from the President

Howdy Hyde Park,

Welcome to May, a time for graduations and barbecues! Although we are nowhere near reaching herd immunity, as some may claim, I hope you are enjoying the outdoors more as the season changes to summertime. We need to encourage everyone of age to get the vaccine as quickly as possible so that we can reach herd immunity. Until then, stay vigilant and wear a mask. Keep yourself safe by keeping everyone else safe.

General Meetings

At our April 6th general meeting, we hosted **Jennifer Curley** with the Mayor's Office of Economic Development. We discussed the various ways that residents can provide feedback to the Mayor's Office on the many developments in our neighborhood. We also invited **Mukhtar Owais**, the developer of a luxury single family townhome community consisting of 51 single family homes on the two adjacent blocks on Commonwealth at Welch Street and Vermont Street.

Our next meeting will be via Zoom on May 4th at 7 pm. Our guest will be **Council Member Abbie Kamin**. Please come prepared with questions for the Councilmember. This is your chance to ask the tough questions!

The log-in details for the May meeting are noted on page 3. Attendees can join the Zoom call even if they do not have a computer. There is a dial-in number that allows you to participate with audio only. We will also post the login information on our Facebook page at: <https://www.facebook.com/groups/HydeParkUnited>.

Volunteers

We remain in need of volunteers for Hyde Park Civic Association. If you have any time to give, giving back to our neighborhood by getting involved on the Board or in one of the other volunteer positions is a truly worthwhile endeavor! Reach out to any of us if you are interested.

I hope you are able to get out and enjoy things more these days. Getting vaccinated opens up many more opportunities to "return to normal"! Stay safe everyone.

See ya,

Chris Delphin, President

The best source for weather information in the Houston area is, hands down, Space City Weather. Eric Berger and Matt Lanza do a great job providing accurate weather forecasts without the hype. This isn't a paid endorsement, just me sharing some key information to those living in Houston. <https://spacecityweather.com/>
