

Letter from the President

Howdy Hyde Park,

Happy holidays! I hope you are all in good health and happy spirits. It was a hard decision for my family, but we decided to have a small Thanksgiving celebration this year. The invitation list was limited, as was the menu selection. Let's stay vigilant and adhere to the recommendations to maintain social distance and wear a mask, no matter what we're doing or where we are. Let's be an example to others.

GENERAL MEETINGS

We delayed our November meeting a week and met on November 10th via Zoom. **Dena Marks** and **Jake Gardner** with the Anti-Defamation League (ADL) attended and gave an informative presentation on the rising instances of hate crimes and hate incidents. We also learned what we can do to help the ADL monitor instances of hateful activity in our neighborhood and elsewhere. Learn more by checking out the general meeting minutes on page 2.

We also held elections for the following positions: Vice-President; Treasurer; Deed Restrictions Committee Position #1 (Chair); and Deed Restrictions Committee Position #3. I'm pleased to announce that **James Spear** was elected Vice-President, **Joe Epstein** was elected Treasurer and **Barry Baumgarten** was elected to the Deed Restrictions Committee. The general meeting minutes include other information from our meeting.

We will not be meeting in December. Our next meeting will be via Zoom on January 5th at 7 pm. We will have a guest speaker from **Preservation Houston**. We thought it would be interesting to learn about their work and to see what we can do to put a focus on preserving the buildings in our neighborhood. I hope you can join us.

We are aiming to have a representative from **Keep Houston Beautiful** speak at our February meeting.

The log-in details for the January meeting are noted on page 3. You can join the Zoom call even if you do not have a computer. There is a dial-in number that will allow you to participate with audio only. We will also post the login information on our Facebook page at <https://www.facebook.com/groups/HydeParkUnited>.

Please consider ordering take-out or delivery from one of our local restaurants!

WHAT'S GOING ON

On Saturday, November 21st, some of our neighbors volunteered their time to clean up Lamar Park. It was hard work, but they did an amazing job to remove leaves and trash throughout the park. A special thanks to all the neighbors who showed up and put in some sweat.

I hope you can join us on the morning of December 5th as we trim our neighborhood Christmas tree in Lamar Park. Niko Niko's restauranteur Dimitri Fetokakis and his family will once again donate the tree. More details will be posted to Facebook if you are interested in joining us. If you do, please wear a mask.

We are currently working with the **Monarch Players** and **Lone Star Lyric**, two local music groups, to bring music to Lamar Park in December. We are hoping this can be a safer alternative to holiday caroling in the park.

The Monarch Players will perform on Saturday (December 5th) in the early evening at 5:30 pm for a holiday-themed performance at Lamar Park. You can learn more about the Monarch Players at www.monarchchamberplayers.com. The Christmas tree will be trimmed that day as well, so you can admire the work of the volunteers as you enjoy some holiday music!

On Thursday, December 17th at 6:30pm, a boutique music organization called Lone Star Lyric will perform a free outdoor jazz cabaret concert at Lamar Park, where the group will croon some fun jazz and musical theater tunes for about an hour - a "Cabaret on the Green"! You can learn more about Lone Star Lyric at <https://www.lonestarlyric.org/>.

November Civic Association Meeting Recap

Submitted by Ellen Pollard

The meeting, done through Zoom, was brought to order at 7:00pm by **Chris Delphin**, President. About 16 people attended logged into the Zoom session. Our guest speakers were **Dena Marks** and **Jake Gardner**, with the Anti-Defamation League (ADL). Mr. Gardner began the meeting with a power point presentation and then both Ms. Marks and Mr. Gardner took part in a question/answer session.

According to ADL, something can be a hate incident if the victim or anyone else think it was motivated by hostility or prejudice based on one of the following things: disability, race, religion, transgender identity, or sexual orientation. All police forces record hate incidents based on these five personal characteristics. Language and symbols are indicators of a hate incident or hate crime. Hate on Display Hate Symbols Database is a database that provides an overview of many of the symbols most frequently used by a variety of white supremacist groups and movements, as well as some other types of hate groups. Some of the groups active in our area are Patriot Front, 14 First (although this is predominately in

For both events, please bring a lawn chair, your preferred beverage and a mask!

Lastly, we are having a Holiday Lights in Hyde Park contest! In the spirit of celebrating bright lights and excessive holiday decorations, we are going to provide a \$100 Amazon gift card to the owners of the house that pushes the limits of tastefulness and exudes cheerfulness. A well-earned prize for bringing joy to your neighbors! Can't wait to see what y'all do!

VOLUNTEERS

We are in desperate need of volunteers for Hyde Park Civic Association. If you have any time to give, giving back to our neighborhood by getting involved on the Board or in one of the other volunteer positions is a truly worthwhile endeavor! Reach out to any of us if you are interested.

Thank you for continuing to follow the guidelines on social distancing and wearing a face mask. It does make a difference! Stay safe everyone.

See ya,

San Antonio for now), and Daily Stormer Book Clubs. An example of a hate incident in our area was the graffiti at the Buffalo Soldier Museum a few months ago. It is very important to report an incident if you are witness to one. Reported incidents provide data, help identify patterns, enable police to identify vulnerable communities, provide an opportunity to strengthen community trust, and demonstrates commitment to transparency. You may report by calling 911 if you or someone else is in immediate danger, call law enforcement and report to ADL (you can fill out a form at www.adl.org/reportincident.) You can also call the Mexican Consulate at 520-623-7874, or report to the Montrose Center at 713-529-7874 or Gay and Lesbian Switchboard Houston at 713-529-3211. At the ADL website (www.adl.org) you will find an interactive heat map with instructions for how to use.

One question was about what organizations can do to support the work of ADL. We can spread the word and we can report hate crimes when we see them. The next question was about using the heat map and Ms. Marks gave a quick demonstration. Another question was about

law enforcement. The ADL has a good relationship with the police departments. The ADL gives information to the Hate Crimes Division of the police. They also train law enforcement with how to handle hate crimes. The last question was about educating or changing the behavior of these hate groups. Mr. Gardner and Ms. Marks admitted that this was difficult but, on the ADL website is an education bar that might help. Hate can be learned but it can also be unlearned.

General Meeting

Our election was then held. By a unanimous vote, **James Spear** was elected Vice-President, **Joe Epstein** was elected Treasurer and **Barry Baumgarten** was elected to the Deed Restrictions Committee. **Mike McKann** did not wish to run for Deed Restriction Committee Chair and we shall miss him.

Christmas tree trimming in Lamar Park will be December 5th. Niko Niko's will again donate and set up the tree. The Board will discuss at the next Board meeting about following up with several musical groups who have contacted us wishing to do concerts in Lamar Park for the holidays.

Committee Reports

Treasurer- we began October with a balance of \$6,891.88. With revenue of \$4,162.54 and expenses of \$302.77, we now have a balance of \$10,751.65.

Deed Restrictions- On October 26, 2020, the Board President notified the property owner at 1218 Bomar that by a majority vote the Board had approved a mitigation plan of planting two cedar elm trees in the public easement of Waugh Drive adjacent to the Rudyard's Pub parking lot, in exchange for the removal of one of the two live oak trees located at 1218 Bomar. No further action has occurred. **Cynthia Greenwood** spoke concerning MLS (minimum lot size) for Williard St. She said our efforts to renew MLS protection on all blocks of Willard St. are moving along successfully.

Delia Cuellar and Cynthia started the process this past summer. The process has taken a bit longer on the City's end, following the submission of the applications and signatures, mostly due to processing delays caused by remote workers and the pandemic. They had three options for continuing our current MLS protection, and they chose to create two new MLS blocks with more stringent (and more up to date) protections for single-family households. In order to make the new protection go into effect immediately, they also had to secure signatures for a single application to rescind our current MLS protection across the 1100-1300 blocks. The City will not rescind our current

protection unless they also pass our new MLS block protections, which will be good for 40 years.

Most members of the board should be familiar with the signs currently erected at the ends of both blocks of Willard. All residents on Willard have received letters from the city explaining the applications - a majority of residents support the applications.

Lamar Park- Awaiting HPB Forestry Division to begin work at Lamar Park for tree trimming. A request was made in October at which time HPB indicated there was a 1-2 months lead time for work to start. There was some activity from the Forestry service as they were in the park the week of November 2nd doing some measuring of trees as well as taking photos.

There is a scheduled community pitch-in trash pickup for Lamar Park and the surrounding streets on Saturday, November 21st.

Lamar Park signs focused on getting the community to "Come Together" and support HPCA will be arriving soon and we will post them in the park on the cleanup day.

Four (4) landscape companies came out to Lamar Park to give estimates on lawn services.

The list included:

100% Tree & Lawn Care - \$100/visit

Green Springs Landscaping - \$225/visit

Ron Horton Landscaping - \$85/visit

Patrick Landscaping - \$75/visit

Immediately after this report, Chris Delphin made a motion to choose 100% Tree and Lawn Care. Joe Epstein seconded the motion. The vote by the Board was unanimous.

Christmas light decorations are supposed to symbolize the Christmas star that led the Three Wise Men to the manger where Jesus was born on Christmas Day. It's now a great way to compete with your neighbor ... and to bring delight to your neighbors' kids. In these days, we could all use some delight, and taking a stroll or drive through our neighborhood or River Oaks is a great way to enjoy the holidays and remain socially distant and safe. Hope you consider decorating this year!
